Following publication of the original article [1], the authors reported errors in Table 4. For the p-values in the comparison of T1 (Baseline) and T3 (After tourniquet) for each condition, the p-values for Dry hot towel and Moist hot towel were switched.

Incorrect: Dry hot towel, $p=.194$; Moist hot towel, $p<.001$

Correct: Dry hot towel, $p<.001$; Moist hot towel, $p=.194$

The original article [1] has been corrected.
